Summer 2015

Audlem Parish Council

Business Summary, July 2015

Chairman's Annual Report - July 2015

This has been another busy and challenging year for the Parish Council, dominated by planning matters. The year began with the Gladman Developments Appeal being heard in Crewe during May, and ongoing applications from Hockenhull Developments to build in Heathfield Road. Sadly, early in 2015 Gladman won their Appeal because of the lack of a 5 year housing land supply in Cheshire East, and the Heathfield Road development was then given planning permission for the same reason.

During 2014 it became increasingly obvious that the only possible way to have any influence on planning decisions in the area was to produce a Neighbourhood Plan (NP). At an Extraordinary Parish Council meeting in July 2014 residents gave a resounding vote to develop a Plan for the Parish. Audlem was fortunate to be chosen as part of the 'front-runner' group in Cheshire East which meant that Cheshire East Council provided resource to help draft a Plan with the assistance of their Planning Department and Cheshire Community Action. With the help of a very able and committed group of volunteers this has resulted in our draft NP being ready for formal consultation which ended on 10 June 2015. The Steering Committee is reviewing all the responses received to determine whether to incorporate suggestions into the Plan. It was approved by the Parish Council at its meeting on 13 July and has now been sent to Cheshire East for review and, hopefully, referendum in the not too distant future. The aim is to ensure gradual development in the Parish to allow the infrastructure to develop alongside the increased number of homes.

The proposal to take over the playing field, play area, tennis courts and car park from Cheshire East Council has also posed challenges as a Working Group of Councillors found out what will be involved in managing the complex. A report has been produced for Councillors and a formal submission to take over the area was endorsed at the

Council meeting on 13 July. The report can be found on the Parish Council section of Audlem OnLine.

This has also been the year for Parish Council elections. With insufficient candidates standing, those nominated were duly elected without a ballot. Richard Furber retired from the Council with over 25 years of excellent service and John Langston also stood down in May. We would like to thank them both for their contribution to the community. We now welcome new Councillors John Thompson and Ann Tilling and the return of Bill Consterdine who has many years of experience in the role. Thanks are also extended to Phil Johnson, outgoing Chairman and John Kemble, Responsible Financial Officer who resigned after 10 years in the role. Kirstin Dixon, our Clerk, has now taken over responsibility for financial matters. We were saddened by the sudden death of ex-Councillor Irene Stockton who had been a valued member of the Burial Board and instrumental in the re-modelling of the children's play area.

We know that the coming year will bring more challenges especially in planning. I would like to thank Councillors for their time and commitment and residents for their support in helping to ensure Audlem remains 'the jewel in the crown of South Cheshire'.

Parish Council meetings will be held in the Meeting Rooms adjoining Audlem Methodist Church on Mondays 7 September and 5 October. (There is no meeting in August.) At the beginning of each meeting, residents have the opportunity to bring matters of concern to the attention of the Parish Council. Everyone is welcome to stay and listen for the rest of the meeting.

Playing Field Complex

At their July meeting, Parish Councillors agreed to submit a formal request to Cheshire East Council for the transfer of the playing field, car park, tennis courts and play area to the Parish Council to go ahead. The request includes the formal submission, a separate report which was produced for Councillors and was accepted at the June meeting, and an outline of the costs that would be incurred as a result of the transfer. The matter is now in the hands of Cheshire East Council and it is hoped that the recommendation of their Finance Committee on 13 April 2015 that 'these assets will be prioritised for approval to transfer'. Cheshire East has already agreed the transfer of the land to the rear of the Public Hall to the Public Hall Trustees so they can build their new Annexe.

The cost to the Parish Council of running this area is between £10,000 - £14,000 p.a. It is inevitable that the Parish Precept will need to increase so proper provision can be made for repairs and replacement of capital items such as play equipment. Other means of generating revenue will have to be investigated including charging for use of certain facilities. The Parish Council will investigate setting up a charitable Trust which would minimise the cost to the community and intends to try to obtain grants for some of the equipment replacement where available.

All the documents referred to above can be found in the Audlem Parish Council section on Audlem OnLine.

Probus 2015

2015 is a special year for Audlem and District Probus Club. In April we celebrated the 20th anniversary of the founding of the Club. The picture shows some of our founder members.

The Club meets on alternate Thursday mornings at Brookfield Golf Club and in addition to the fellowship of the members we enjoy a variety of guest speakers who entertain and advise us on a wide range of different subjects including health, technology, history, travel etc.

We also enjoy regular day trips to factories, stately homes and other places of interest. The list is on our website. Each year we have a Club holiday. Last May we enjoyed a wonderful week at Bournemouth, staying at the sea front Hermitage Hotel. The social programme further includes dinners and fun evenings, and many of the activities are enjoyed by members and their partners.

Another Happy and Successful Day at Hankelow Fete

Hankelow Amenities Group held another happy and successful Fete on Hankelow Village Green on Father's Day, Sunday 21st June. The Fete was a huge success and the Group would like to thank everyone who supported this popular event.

The Group will be donating **£2,000** to local charities this year from the proceeds of this year's Fete - the main chosen charity this year being Hankelow Methodist Church Community Hall Improvement Project. Hankelow Amenities Group looks forward to seeing everyone at next year's Fete, which is to be held once again on Father's Day which is on Sunday, 19th June, 2016.

ADAPT on Show

Over the recent months ADAPT group have attended a number of recent village events. The Carnival, the RNLI Day at the Marina and the Hankelow Fete were events at which ADAPT was present.

This year we have a new display to interest folk on the theme of sustainable living. You can meet us each Saturday at our stall in the Lord Combermere car park between 10am and 12noon. Following our highly successful Apple Pressing event last year we will be repeating it this year on 3rd October.

History Society News

Our 2 summer events proved to be both enjoyable and informative. June saw a group visit Barthomley for a tour of the Church with lunch at The White Lion. This was followed by a visit to Englesea Brook Museum in the company of an excellent and most knowledgeable guide.

July's Coffee Morning with the theme "Growing up around Audlem" provided a chance for old school friends and neighbours to reminisce. (If you missed the chance to view them they will be shown again at the September meeting). We would be delighted to see any photographs that you would like to share with us.

Our autumn programme commences with Jeremy Nicholls, a local resident, on "Local Railways and WW1". (His previous talk to the Society in 2013 proved to be extremely popular).

This will be followed in October with a talk from John White on "The History of Wistaston".

You do not have to be a member to attend our meetings - just turn up on the evening - £3 on the door (students free). For more information contact **Dorothy Jones on 01270 811814**.

New Seats for Surgery

The waiting room is being refurbished with new and safer chairs. The Practice is refurbishing consulting rooms and replacing carpets but its budget would not stretch to the chairs which desperately needed upgrading. Audlem Medical Trust is contributing the £900 required for the

chairs. Over the years the Trust has purchased aids for the Practice ranging from wheelchairs and baby scales to sophisticated medical equipment such as HBAIC and ECG machines. Donations to the Trust Fund may be left with receptionists at the surgery or by contacting the trustees.

ADCA (Audlem Carers' Support Group)

ADCA's Medical Car Service continues to grow and is seen by users as a valuable service taking people to hospital, clinic and GP appointments who otherwise couldn't get there. We have also recently recruited some more volunteer drivers - but we are always looking for more. If you are interested in becoming a one or want to make use of the medical transport service then please ring our office number on 01270 747163 and leave a message. We will get back to you.

The number of carers supported by Audlem Carers' Support Group or who attend our Carers Breaks continues to grow. We recently had an excellent trip for afternoon tea to Goldstone Hall and carers have also been offered an afternoon of bowls by the Bowling Club. The Support Group continues to meet every 2nd and 4th Tuesday between 10am and 12 noon at the Lord Combermere for coffee and chat with the occasional speaker. Please feel free to come along if you are a carer of a family member, friend or neighbour.

ADCA members also helped with fundraising towards the Hankelow Chapel Refurbishment Project at the Hankelow Fete in June when a fine day was enjoyed by all. Micky and Minnie Mouse turned up to help us out.

Audlem Women's Institute

To celebrate WI's Centenary Year, Audlem WI invited The Flower Divas of Audlem to give a talk on '100 Years of Flower Arranging.' Over 100 ladies attended, although the enticement of free Pimms may have helped, and the subsequent flower arrangements were raffled off at the end of the evening.

In September we look forward to a talk by Margaret Boschi and Sandy Loughlin on 'Nantwich Players – Past, Present and Future.' Following this, our October meeting will ask our WI members to dig deep into their memories and decide who we would nominate for a 'gong,' given the chance! This will follow a talk by Mr Murphy on "British Women – Some Should Be More Famous."

November brings our Annual Meeting, and members will be asked to design a poster for a firework display.

Audlem District Amenities Society (ADAS)

On 8th Neil Goodyear and I, of Audlem in Bloom, showed round judges from Britain in Bloom who were judging our entry for the 2015 awards. Their responses were encouraging and we are hopeful that we will receive yet another award.

We organised a successful Fashion Show at the Public Hall on 2nd July and would like to thank all who supported the event.

Finally, at ADAS we are planning our annual Christmas display which is an expensive commitment. If you haven't returned your subscription envelopes yet, please endeavour to do so.
